Crafting and Delivering Special Occasion Speeches

Communicating with Authority, Depth and Completeness.

Your speaking skills are perpetually on display as you: Calm jittery customers... Re-assure skeptical investors... Soothe unhappy employees or edgy managers ...and, oh yes, run the firm.

This stand-and-deliver workshop will show you how to be proficient at writing the speech and delivering it with confidence and style.

You will craft the speech then deliver it in front of an audience receiving targeted feedback.

So many presentations to make:

Analysts meetings... Formal speeches... Employee gatherings... Presenting awards... Road Shows ... Introductions... Toasts... Key Note Speeches...

A Brief History of Kennedy Moran Associates

KENNEDY MORAN
ASSOCIATES
THE FINANCIAL TRAINING CONSORTIUM

Established 2002

Dating back to 1987, both Manufacturers Hanover Trust and Chase Manhattan Bank invited their clients to join internal credit training and other training programs. The clients would pay a fee for this training.

Through the subsequent mergers, training continued to be offered to clients. From 1987 through 2002, the combined firms trained staff from more than 150 financial and corporate institutions worldwide.

In 2000, Chase and JPMorgan merged to

become JPMorgan Chase. In June 2002, Tom Kennedy and Bill Moran, both from the heritage banks, left JPMorgan Chase to form a training group, **Kennedy Moran Associates LLC: The Financial Training Consortium**. The goal was to continue making this very valuable training available to clients. The objective of the consortium is to provide a training platform for those firms without a dedicated training group.
